Discovering Advent

You will need:

- 4 printouts (below)
- scissors
- glue stick
- colouring pencils

Instructions:

1. Fold each sheet along the dotted lines.
2. Cut along the solid line. The easiest way to do this is to have the sheet in half, like pic 1.
3. Fold along the cut and push the ends together, like pic 2.
4. Fold in half to make a booket, like pic 3.
5. Flatten the pages and make sure that the ‘Glue’ sides are on the outside.
6. Optional – add a dab of glue on the unprinted sides to keep the pages in order.
7. Stack the booklets in order: 1-6, 7-12, 13-18 and 19-25. Glue the ‘Glue’ pages together to make one booklet.
8. Optional – trim the pages if needed, but DO NOT trim any folds!
9. Colour in the cover now, and colour one page every day of December.
