

Names of Jesus Christingle Decorations

Make these festive decorations either as baubles or Christingles to ponder the names of Jesus.

Bauble

You will need:

- Printouts of the templates on white or coloured paper or card. (see next pages)
- Scissors
- Colouring pens and decorations
- Glue stick
- Gold thread

What to do:

1. Colour in 4 to 12 circles, depending on how full you want your bauble to be, and cut them out.
2. Fold the circles in half on the dotted lines and stack them into 2 piles with the edges matching.
3. Glue each pile of half-circles together to make two halves of your bauble.
4. Stick the two halves together, enclosing a length of gold thread at the top for a hanging loop.

Christingle

You will need the above, plus:

- Red paper, white paper
- Birthday cake candle
- Cocktail sticks

What to do:

1. Print the templates on orange paper or card, or on white paper and colour them orange.
2. Cut out either 4, 8 or 12 circles, depending on how full you want your Christingle to be.
3. Cut strips of red paper to go across the middle of each circle, and stick them in place. Alternatively, you can use pens to colour the strips red.
4. Fold some white or orange paper in half and cut a matching pair of flame shapes.
5. Glue the flames either side of the wick of a birthday cake candle. (You might need to trim the wax back.)
6. Cut four sweetie shapes from folded white paper (so that you have four pairs the same). Decorate them and glue them around the ends of four cocktail sticks.
7. Fold the circles in half on the dotted lines. If you have 8 or 12 circles, glue them into sets of 2 or 3 so that you have four quarters of a sphere.
8. Glue the quarters together, enclosing a cocktail stick between each section, pointing upwards.
9. If you want, you can also add a loop of gold thread in opposite joins for hanging.
10. Put lots of glue around the base of your candle and ease it into the space where the circles meet at the top.
11. If you want your Christingle to stand up, trim a sliver off the bottom to make a flat base.
