

Flip-Flap Advent Story Teller

Start with the story teller closed and ask someone to pick one of the big letters or a symbol. Flex the story teller as you spell out ADVENT to the letter they choose. If they choose a symbol, that goes at the end. Eg, If they choose the candle, flex the story teller seven times: A-D-V-E-N-T-candle.

Ask your person to choose either a word or a set of candles. Flex the storyteller to spell that word or count the candles. Ask your person to choose a word or set of candles again. Open the flap they choose and tell them about the candles of Advent.
